

252, or 255, the amount of the fee set forth through FEDERAL REGISTER notice. HUD may, in its discretion, collect this fee rather than deducting the fee from the total of the items computed under paragraph (b)(1) of this section.

(c) *Amount of payment; conveyance of property.* If the property is conveyed to the Commissioner, the insurance benefits shall be paid in an amount determined in accordance with paragraph (b) of this section, except that the item set forth in paragraph (b)(2)(iv) of this section shall not be deducted.

(d) *Issuance of certificate of claim.* In addition to the insurance benefits paid under paragraph (b) or (c) of this section, a certificate of claim shall be issued to the mortgagee.

(1) In the case of an assignment of the mortgage, the certificate shall be for an amount which the Commissioner determines to be sufficient, when added to the amount of the insurance benefits to equal the amount the mortgagee would have received if, on the date of assignment to the Commissioner, the mortgagor had paid in full all obligations under the mortgage. Where a conveyance is involved, there shall also be included in the certificate an allowance in a reasonable amount for any necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings or the acquisition of the mortgaged property otherwise and in connection with the conveyance of the property to the Commissioner.

(2) The certificate of claim shall provide for an uncompounded annual interest increment of 3 percent to begin as of the date of either assignment or conveyance.

(e) *Issuance of debentures.* Where debentures are issued, they shall meet the following requirements:

(1) Be issued as of the date of default.

(2) Be registered as to principal and interest.

shall cease on the semiannual interest payment date designated in the call notice. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. If the debentures are purchased by the Commissioner after such call and prior to the named redemption date, the debenture interest shall cease on the date of purchase.

(4) Mature 20 years from the date thereof.

(5) Be issued in such forms and amounts; and be subject to such terms and conditions; and include such provisions for redemption, if any, as may be prescribed by the Secretary, with the approval of the Secretary of the Treasury; and may be in book entry or certificated registered form, or such other form as the Secretary by regulation may prescribe.

(6) Bear interest from the date of issue, payable semiannually on the first day of January and the first day of July of each year at the rate in effect as of the date the commitment was issued, or as of the date of initial insurance endorsement of the mortgage, whichever rate is higher. The applicable rates of interest will be published twice each year as a notice in the FEDERAL REGISTER.

(7) Debentures representing the portion of the claim applicable to an operating loss loan shall bear interest at the rate in effect as of the date the commitment to insure such loan was issued, or as of the date of endorsement for insurance of such loan, whichever rate is the higher, although debentures representing the portion of the claim applicable to the original mortgage may bear interest at a different rate.
